Rachel:

I wanted to confirm that you are also stipulating to the admission of my lab report excerpts -- I think it will be easier for us to just use specific pages. My understanding from Sean yesterday was that was OK, but like you I want to be sure before I mark them today. Thanks.

Luke

Are you stipulating to the admission of all our lab reports as long as your pages are included? I know you stipulated to the two months that you looked at and thought you said yes to the rest but wanted to make sure before I marked them final.
